Hi Tatiana -

I would think that you should check with the Bureau of Street Services about the install and your Senior Lead Officer - I think that is Kristin Delatori still.

I hope this helps a bit

Message: Looking for support to install planter boxes and/or hardscaping on 7th Avenue, off of Rose, and directly behind Whole Foods Venice. I am in the process of pursuing an A permit with City of LA. A GoFundMe page has been created for project fundraising purposes. Scope of Work, supply list and support offered by Community Healing Gardens. What am I missing? Definitely funding, but also any advice or assistance that can be provided. Thank you.
